

VIPP™

VIOLENT INTRUDER PROTECTION PROGRAM

Experts agree that preparation, training and taking action is the best defense for Active Shooter/Violent Intruder

ARE YOU PREPARED FOR AN ACTIVE SHOOTER/VIOLENT INTRUDER?

Mithix Pro and OPS15 have developed the most comprehensive defense kit and training program designed to save lives from this growing threat.

Developed by first responders, corporate security professionals and educators for:

- Classrooms
- Government Buildings
- Office Buildings
- Retail Businesses
- Houses of Worship
- Entertainment Venues

Provides and prepares for:

- Rapid Deployment Locking Mechanisms/Devices
- Immediate Action & Emergency Evacuation Early Detection
- Cover and Concealment
- Communication & Signaling
- Distraction and Defense

**Standard kit capability; training is included with kits for schools and universities. Other options including larger, smaller and custom kits as well as optional items are also available. Contact Mithix Pro or OPS15 today for more information.*
